

Thoreau MS Tech Team Form

Legally Blonde Jr.

Being a part of Thoreau Theatre is a great experience. It is also, however, a serious time commitment. All students are expected to attend all rehearsals they are called for without exception. Any student unwilling to dedicate the time for rehearsals or unable to attend them regularly should not apply.

Legally Blonde Jr Performance Dates:

- Thursday, June 2 at 7pm [call time 5:00pm]
- Friday, June 3 at 7pm [call time 5:00pm]
- Saturday, June 4 at 3pm AND 7pm [call time 1:00pm]

TO DO LIST:

- Research: Listen to and read the script to Legally Blonde Jr. [attached to the website]
- Complete the entire Tech Team form and bring it to C-107 NO LATER than Mar 18, 2022
- Put an X in any known conflicts [see attached calendar on form]
- Write one page paper typed (12pt font) why you should be chosen for the role you desire. [Job listings and requirements are on the next page] Again, why should Miss K. pick you? Include reasons and examples of why you would be good for the role and possibly what past shows you have participated in to prepare you for this.
- Turn paper, form and conflicts in by March 18
- Each role will have a different time commitment. For example, some roles will meet during Eagle Time as a team and work outside of rehearsal times to collect supplies, etc. ALL tech team members will be called the last two weeks of May and the first week of June.

Please keep in mind... not everyone who turns in an application will be assigned a tech job.

We are looking for responsible and reliable students who are organized and able to work independently.

Assignments will be posted Monday, March 21.
